

change the way
people look at YOU.

Look your best. Feel better. Christy began with a relaxing
Aromatherapy Massage by Danielle, then had a
Deluxe Facial and Eyebrow Waxing from Susan,
followed by a delicious Spa Lunch. From there it was a
Ginger Manicure and Pedicure from KC and a gorgeous
Haircut and Highlight from Jill. A Makeup Lesson by Hilary
wrapped up the day beautifully for Christy at Azana Salon and Spa.
Imagine what you could do in a day.
